2. Various building materials, including 800 tons of cement, were trucked from GREVEFUTHELEN (M 54/T 29) to TARNETZ.

Comment:

According to this report it is assumed that the airfield is to be reconditioned. This assumption is, to a certain degree, confirmed by the report of 18 November 1949, according to which the refugees quartered at the field were allegedly ordered to evacuate.
